-EFFICACY OF PRAYER.-The most remarksble instance of the power of prayer happened in the case of Gov. Tod, as related by himself in an address be made lately to the Briar Hill miners, on the occasion of leaving Briar Hill to prepare for assuming the chair of State. Mr. Tod said: | "In the spring of 1847, when about to leave home | ed all liquor saloons in the city closed at 11 P. M. in the service of our mational Government, your met me on this spot and gave me your prayers and good wishes for the safe return of myself and regard was at Bowling Green, in that State, last family, and I have felt that in these prayers and good wishes, in part, I am indebted for that safe return, for not only did Mrs. Tod, myself and all the children we took away with us (five in number) return safely to you, but we brought back two were captured by General Pope recently, are two more !" -- Cleveland Herald

These British for the cure of Whak Stonages, General DESIGNY, and for PURIFYING and ENRICHING the BLOOD, are absolutely unsurpassed by any other remedy on earth. To be assured of this, it is only necessary to make the trial. The Wine itself is of a very superior quality, being about one-third stronger than other wines; warming and invigorating the whole system from the head to the feet. As these Bitters are tonic and alterative in their character, so they strengthen and invigorate the whole system and give a fine tone and healthy action to all its parts, by equalizing the circulation, removing obstructions, and producing a general warmth. They are also excellent for Diseases and Weakness peculiar to Females, where a Tonic is required to strengthen and brace the system. No lady who is subject to lassitude and faintness, should be without them, as they are revivify-
